

49" Double Outdoor Drive Thru Display

Overview

The 49" double outdoor Drive Thru display is a high-brightness digital signage solution designed for reliable performance in QSR and drive-thru environments. Featuring a Full HD panel with 3000 nits brightness, it delivers clear, easy-to-read content in direct sunlight and outdoor conditions.

Built with an IP66-rated enclosure, IK10 tempered safety glass, and integrated Android media player, the display is engineered for continuous outdoor operation. Its slim freestanding design makes it ideal for digital menu boards, promotional messaging, and order point installations.

Key Features

3000 Nits Brightness

Clear visibility in direct sunlight and outdoor environments.

Drive Thru Design

Optimised for QSR menu boards and outdoor ordering applications.

IP66 Protection

Resistant to dust, rain, and harsh environmental conditions.

IK10 Safety Glass

6 mm tempered glass for enhanced durability and protection.

Android Media Player

Integrated Android system for standalone content playback.

Slim Freestanding Cabinet

Professional outdoor enclosure with portrait orientation.

Display

Screen	49" LCD
Resolution	1920 x 1080
Active Area	1073.8 x 604mm
Brightness	3000nits
