

32" Outdoor Signage Display

Overview

The 32" outdoor digital signage display is a compact, high-brightness solution designed for clear visibility in outdoor environments. With a Full HD panel delivering up to 2000nits of brightness, it ensures sharp, readable content even in direct sunlight.

Built into a robust, IP66-rated enclosure with a 40mm bezel, the display is engineered for reliable 24/7 outdoor operation. Automatic brightness adjustment and flexible connectivity make it ideal for outdoor advertising, information display, and wayfinding applications.
