

65" Indoor Single-Sided Totem

Overview

The 65" indoor floor-standing display is a sleek all-in-one digital signage solution designed for interactive commercial environments. Featuring a Full HD touchscreen, integrated Android media player, and slim freestanding design, it provides an engaging platform for wayfinding, self-service, promotional content, and customer interaction.

Built for continuous operation, the display combines reliable performance, responsive 10-point PCAP touch technology, and commercial-grade construction, making it ideal for retail, hospitality, corporate, and public-facing installations.

Key Features

65" Full HD Touch Display

Crisp visuals with responsive 10-point PCAP touch interaction.

Integrated Android Player

Built-in Android 11 media player for standalone playback.

Floor-Standing Design

Slim freestanding format for indoor commercial spaces.

24/7 Operation

Designed for continuous commercial use.

Wi-Fi & Ethernet Connectivity

Flexible network options for content management and updates.

Tempered Glass Protection

Durable front glass for added screen protection.
